

Children and Stay Leaving 2022

May 26th, 2022

Dear Parents!

It is the time of year where we need to collect information from you to plan for summer and fall 2022.

It is important that this form is returned by JUNE 3rd, 2022 in order to keep your space at the preschool or school- age site. Any forms not returned will indicate to us that you no longer require care and we will plan accordingly. If you were placed in a temporary spot at the school-age this will help us determine whether we will have a space for your child after the summer however we remind you there is a possibility that we will not have a space.

Please complete the following information to the best of your knowledge.
